

RES.03.XX

SENATE OF THE ILLINOIS STUDENT GOVERNMENT

FEBRUARY 12, 2019

3RD ASSEMBLY

Green.Illinois.edu Resolution

AUTHOR(S): Senator Jessica Nicholson, Chair of the Committee on Environmental Sustainability Bugra Sahin, Senator Anna Sekiguchi

SPONSOR(S):

ENDORSEMENT(S):

WHEREAS, our campus hosts many career, research, and educational opportunities related to environmental sustainability that students are minimally aware of;

WHEREAS, connecting students to these opportunities will promote greater sustainability efforts on campus and prepare students to contribute to and implement sustainability within their careers;

WHEREAS, an official online platform can easily connect students to these opportunities and educate them;

WHEREAS, the University already has 61 subdomains of the illinois.edu domain to educate students on many other opportunities available to them.

LET IT BE RESOLVED, that the University of Illinois Tech Services will create a new sub-domain website, green.illinois.edu, to showcase career, research and educational opportunities relating to sustainability;

LET IT BE RESOLVED, if University Tech Services are unable to create the website, a student task force will be created to make the website;

LET IT BE RESOLVED, The university will approve this website as an illinois.edu subdomain;

LET IT BE RESOLVED, Organizations, companies, research conductors, and more will be able to submit their listings for opportunities of involvement to the University, and the University will approve these opportunities to be posted on the website.
